

strategic management southern african pdf

Member States of the Southern African Development Community (SADC) are vulnerable to a range of natural disasters and, since many events affect several countries simultaneously, a regional approach to managing the risks is appropriate and necessary.

Southern African Development Community :: Disaster Risk

The Union of Comoros was admitted into SADC at the 37th SADC Summit of Heads of State and Government held in Pretoria, South Africa in 2017, bringing the total number of Member States to 16. Additionally, Burundi has requested to join.

Southern African Development Community - Wikipedia

Introduction Strategic management is emerging as a major new competency in public sector activity. Public sector managers are now being asked to execute and measure performance improvement in ways that have so far been adopted only in private sector organisations.
