Anisotropic fluid materials are of growing interest with the development of metamaterials and transformation acoustics. In the general three-dimensional case, such materials are characterized by a bulk modulus and a full symmetric matrix of density.

In particle physics, a generation or family is a division of the elementary particles. Between generations, particles differ by their flavour quantum number and mass, but their interactions are identical.

Generation (particle physics) - Wikipedia

Physics (from Ancient Greek: $\varphi\upsilon\sigma\iota\kappa\acute{\omicron}\varsigma$ ($\varphi\upsilon\sigma\iota\kappa\acute{\omicron}\varsigma$, $\varphi\upsilon\sigma\iota\kappa\acute{\omicron}\varsigma$), translit. *physiká*, — (epistá, —má), lit. 'knowledge of nature', from $\varphi\upsilon\sigma\iota\kappa\acute{\omicron}\varsigma$, $\varphi\upsilon\sigma\iota\kappa\acute{\omicron}\varsigma$, $\varphi\upsilon\sigma\iota\kappa\acute{\omicron}\varsigma$ "nature") is the natural science that studies matter and its motion and behavior through space and time and that studies the related entities of energy and force. Physics is one of the most ...

Curriculum Vitae - Lisa Randall CV

The noncommutativity of the momentum components, arising from spacetime torsion coupled to spin, replaces the integration over the momentum in loop Feynman diagrams with the summation over the momentum eigenvalues.

High Energy Physics - Theory authors/titles "new"

This book is designed to give a background on the origins and development of Wigner functions, as well as its mathematical underpinnings. Along the way the authors emphasise the connections, and differences, from the more popular non-equilibrium Green's function approaches.

Science doesn't "will never and should never" work by someone having a 'vision' which he has

convinced himself is the truth, and then trying to force some equations to fit the fantasy without any respect for evidence or for reasoning.

Up: What's so misleading about Nassim Hamein?

If a someone is to help you understand FRACTAL FIELDS- centripetal life force and biologic rejuvenation (commercial proof it works: theraphi.net)- you will definitely need a scientist who knows why an object falls to the ground (thus excluding Einstein and Stephen Hawkins).

Theraphi team- Conjugate/Fractal Field Plasma Rejuvenation
