An in-depth review of the book Why Materialism Is Baloney by Bernardo Kastrup. The book is currently available for pre-order on Amazon, with its release slated for April 2014. The "problem" with this marvelous book is that those among us who most need to confront its wisdom won't have the openness to do so. And [!]

Why Materialism Is Baloney - collective-evolution.com

A few more considerations about the Non-Locality of Consciousness and "Why materialism is Baloney": Yes, that is the same Atomist Philosophy. Today's modern era is severely short on concept and language to express some of these things as relates Consciousness.
